

GENERAL INFORMATION

THE 20TH VIETNAM INT'L CHEMICAL INDUSTRY EXHIBITION - **VINACHEM EXPO 2024**
Vietnam International Agrochemical and Crop Protection Exhibition - CAC VIETNAM 2024
THE 21TH CHINA (VIETNAM) CHEMICAL INDUSTRY EXHIBITION – **CHINACHEM 2024**
THE 16TH INT'L PAINT INDUSTRY & COATING MATERIAL EXHIBITION – **VINA COATINGS 2024**
VIETNAM INT'L CHEMICAL MACHINERY TECHNOLOGY EXHIBITION – **CHEMTECH 2024**
VIETNAM INT'L RUBBER & TIRE EXHIBITION – **RUBBER TECH VIETNAM 2024**
VIETNAM INT'L ADHESIVE & TAPE EXHIBITION – **ADHESIVES & TAPE EXPO VIETNAM 2024**

Time:	Nov. 27-29, 2024		
Venue:	Saigon Exhibition & Convention Center (SECC) 799 Nguyen Van Linh, Dist. 7, Ho Chi Minh City		
Move in:	Nov. 12:	12:00 - 17:00	
	Nov. 13:	08:00 - 17:00	
	Nov. 14:	08:00 - 20:00	
Opening Hours:	Opening Ceremony:	Nov. 27:	09:30 - 10:30
	For exhibitors:	Nov. 28:	08:00 - 17:30
		Nov. 29:	08:30 - 17:30
	For visitors:	Nov. 25-27:	09:00 - 17:00
Move out:	Nov. 28:	17:00 - 24:00	

Organizers:

Vietnam Advertisement and Fair Exhibition JSC - VIETFAIR
China Council for the Promotion of International Trade
(Sub Council of Chemical Industry - CCPIT CHEM)
China Adhesives and Tape Industry Association (CATIA)
China United Rubber Corporation (CURC)

Supporters, Consultants:

Related ministries and agencies, Vietnam Chemicals Agency (Ministry of Industry & Trade); Plant Protection Department (Ministry of Agriculture & Rural Development); Department of Crop Production (Ministry of Agriculture & Rural Development), Vietnam Chamber of Commerce & Industry (VCCI); Vietnam National Chemical Group, Vietnam Rubber Group; General Council of Agriculture and Rural Development Vietnam; Vietnam Pesticide Association (VIPA); Vietnam Paint & Printing Ink Association; Vietnam Fertilizer Association; Chemical Society of Vietnam; Vietnam Rubber Association; Vietnam Farms & Agriculture Enterprises Association; Vietnam Fruit & Vegetables Association...

Scale: more than 500 booths of 430 local & international exhibitors

Publicity Supports:

- Vietnam Television (VTV), Voice of Vietnam (VOV), HCMC Television (HTV)
- Vietnam News Agency Television, VTC10, VTC14, VITV, National Assembly Television, National Defense Television, Vietnam Communist Party Television, Vietnam Justice Television, Labour News Television
- Vietnam Agriculture Newspaper
- Vietnam Industry & Trade Review, Vietnam Economic News, Investment News
- Chemical Industry Magazine
- "Quê hương ngày nay" Magazine
- Saigon Liberation News
- Vietnam Industry & Trade Information Center (VITIC) – Ministry of Industry & Trade, Vinanet...

Marketing Channels:

- Direct mailing, tele-marketing, fax, email, flyers...
- Advertising on public medias, newspapers,
- Promoting the show through Vietnam consulate, trade offices in oversea

- magazines, television, website, professional database before and during the show
- Outdoor banners: billboards, archs, posters, vertical and horizontal banners...
- Coordinating with local and international trade promotion organizations, associations
- Seminars, forum, business matching, business tours, market survey...

Official Forwarder: AEL Trading & Service Co., Ltd.

Official Booth Contractor: Tan Minh Tien

Major exhibits:

- **Agro-pharmaceutical drugs:** Trace element fertilizers, zinc sulfate granules, Pentahore borax granules, organic fertilizers, nitrogen fertilizers, mixed fertilizers, high tower technology fertilizers; Plant protection drugs, fungicides, plant growth regulators, pesticides, medicinal raw materials, herbicide preparations, veterinary drugs, products for agriculture, gardening...
- **Agrochemicals:** Basic chemicals, chemical solvents, chemical intermediates, amino acid-based intermediates; Agricultural products, related chemical products used in agriculture and fisheries...
- **Industrial chemicals:** Surface treatment chemicals, industrial oils, bleaching powders, cleaning products, refining chemicals, raw materials, and product preparations used in the fields of petroleum, petrochemical, textile, construction, electrical and electronics, agriculture, automotive...
- **Industrial wastewater treatment:** Filter materials, activated carbon, chemical salts, and other industrial chemicals...
- **Textile dyeing chemicals:** Intermediate dyes and pigments, resin, production of textile auxiliary substances, footwear, cleaning...
- **Food technology:** Food additives, feed additives, seasonings, flavors, bottling lines, jugs, packaging machines, sealing machines, packaging materials, pressure vessels, mixing machines, wet grinding equipment, powder mixing equipment...
- Feed additives, household cleaning products, intermediate plating production, fine chemical products, and organic gases...
- **Machinery and equipment:** Bottling lines, flasks, packaging machines, mixing equipment, dispersing equipment, sealing machines, pressure vessels, mineral industry machinery, stone powder production, packaging materials, nanomaterials...
- **Paints and coating materials:** Specialized chemical additives for paint and printing ink industry, raw materials for paint production; adhesive additives, waterproofing agents, paint industry machinery and equipment, paint spraying equipment, powder processing machines, stone powder production, dispersion equipment, highly dispersion emulsion equipment; photovoltaics and coatings and other fields...
- **Rubber:** Products made from natural rubber, neoprene, vulcanized rubber, unvulcanized rubber (rubber discs, sheets, pieces, rubber rods, hoses, rubber hoses, clothes made of rubber, rubber cables and fibers, rubber vapor cushions, rubber pump diaphragms, rubber stoppers, rubber dampers, rubber couplings, rubber gaskets, rubber hoses, rubber batch wrap, rubber balls, rubber plastics, thermoplastic rubber...
- **Tires:** rubber tires, rubber tires recycling...
- **Adhesives:** Adhesion enhancers, sealants, sealants, product packaging glue, welding glue, heat conductive glue, medical device glue, electronics glue, wood industry glue, paper industry glue, handicraft glue...
- **Plastics:** Plastic machinery and equipment (PVC chippers, crushers, peeling machines, large-capacity drying hoppers, mold coolers...); raw materials and accessories of plastic industry...

Major activities:

- Forum – Seminar on chemical industry, fertilizer, plant protection drugs...
Time: 14:00 – 16:30 on November 15.
- Organizing international business delegations to visit and survey industrial parks, factories, farms in Ho Chi Minh City and neighboring provinces; Time: Nov. 16 and Nov. 17 morning.

Daily activities:

- Business discussion, matchmaking B2B; introduction for new technology and products from Associations and Exhibitors.
- Thanking Program: Gifts for group buyers and professional buyers; lunch coupons for provincial trade-visitors; partly-supports for accommodation and travel for provincial visitors having distance more than 150 km far from HCMC...
